

Online Ordering of School Supplies

The PTA is pleased to announce that we are offering a school supply purchase service to our families again this year. As always, this service is entirely optional, but many families appreciate the convenience of one stop shopping.

This year we are using ClassBundl and feel they offer many unique features.

- All supplies are shipped directly to your home (vs. being delivered to school as in years past)
- The order window is much longer
- Orders are customizable, so if you already have an item or choose to purchase certain items on your own, you can opt out of specific items.
- **FREE shipping and NO SALES TAX**
- The PTA automatically receives a 5% donation from each sale so Sparks Elementary benefits!

Tissues, hand sanitizer, baggies, and a few other grade specific items are optional items on the school supply list. As we realize teachers desperately need these items, we have included them, but you are free to opt out of purchasing if you desire.

You may order online using a credit card at <https://shop.classbundl.com/1525>

Orders are online only, no paper form. **ORDER EARLY FOR THE BEST PRICES! ORDER BY JUNE 17TH TO RECEIVE AN EXTRA 5-10% OFF YOUR ORDER.**
